AN ACT

AMENDING SECTION 5-601.02, ARIZONA REVISED STATUTES; RELATING TO INDIAN GAMING.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Purpose

3 Section 15-978, Arizona Revised Statutes, was added by Laws 2002,  
4 chapter 301, section 4 and by 2002 Proposition 202, section 6. In order to  
5 resolve these conflicting multiple enactments, Laws 2003, chapter 176,  
6 section 2 renumbered section 15-978, Arizona Revised Statutes, as added by  
7 2002 Proposition 202, section 6, as section 15-979, Arizona Revised Statutes.  
8 This act amends section 5-601.02, Arizona Revised Statutes, to change the  
9 internal references in subsection H, paragraph 3, subdivision (a), item (i)  
10 and subdivision (b), item (i) from section 15-978 to section 15-979 to  
11 conform to the renumbering of that section.

12 Sec. 2. Subject to the requirements of article IV, part 1, section 1,  
13 subsection (6), Constitution of Arizona, section 5-601.02, Arizona Revised  
14 Statutes, is amended to read:

15 5-601.02. New standard form of tribal-state gaming compact;  
16 effects

17 A. Notwithstanding any other law, within 30 days after receipt of a  
18 timely written request by the governing body of an Indian tribe, the state,  
19 through the governor, shall enter into the new standard form of tribal-state  
20 gaming compact with the requesting Indian tribe by executing the new compact  
21 and forwarding it to the United States department of the interior for any  
22 required approval.

23 B. The state, through the governor, may only enter into a new compact  
24 with an Indian tribe with a pre-existing compact if the Indian tribe requests  
25 a new compact pursuant to subsection A during the first 30 days after the  
26 effective date of this section. The state, through the governor, shall serve  
27 a timely notice of nonrenewal of a pre-existing compact on any Indian tribe  
28 that does not request a new compact during the first 30 days after the  
29 effective date of this section. Any Indian tribe without a pre-existing  
30 compact on the effective date of this section may request a new compact at  
31 any time.

32 C. Notwithstanding any other law, an Indian tribe may conduct the  
33 following forms of gambling as regulated gambling, as defined in section  
34 13-3301, if the gambling is conducted in accordance with the terms of a  
35 tribal-state gaming compact: gaming devices, keno, offtrack pari-mutuel  
36 wagering, pari-mutuel wagering on horse racing, pari-mutuel wagering on dog  
37 racing, blackjack, poker (including jackpot poker), and lottery.

38 D. The department of gaming shall administer and carry out its  
39 responsibilities under the procedures for the transfer and pooling of unused  
40 gaming device allocations described in section 3(d) of the new compact.

41 E. The state, through the governor, is authorized to negotiate and  
42 enter into amendments to new compacts that are consistent with this chapter  
43 and with the policies of the Indian gaming regulatory act.

44 F. At the request of any Indian tribe for which paragraph 6 of  
45 subsection I does not specify a possible additional devices allocation, the

1 state, through the governor, shall negotiate with the Indian tribe for a  
2 possible additional devices allocation. This allocation shall not be less  
3 than the smallest or greater than the largest possible additional devices  
4 allocation provided to an Indian tribe with an equal number of devices in the  
5 current device allocation column set forth in the new compact. At the option  
6 of the Indian tribe, the possible additional devices allocation shall be  
7 included in either the Indian tribe's new compact or an amendment to such new  
8 compact.

9 G. The authority and obligations of the state, through the governor,  
10 to negotiate additional compact terms pursuant to subsections E and F are  
11 independent of and separate from the obligations of the state pursuant to  
12 subsection A, and shall not constitute grounds for any delay by the state in  
13 carrying out its obligations to execute and forward new compacts to the  
14 United States department of the interior as required in subsection A.

15 H. The Arizona benefits fund is established consisting of monies paid  
16 to the state by Indian tribes pursuant to section 12(c) of new compacts and  
17 interest earned on those monies. An Indian tribe with a new compact  
18 satisfies the requirements of subsection F of section 5-601. Tribal  
19 contributions paid to the state pursuant to a new compact shall be deposited  
20 in the Arizona benefits fund, not the permanent tribal-state compact fund  
21 pursuant to subsection G of section 5-601.

22 1. The department of gaming shall administer the Arizona benefits  
23 fund. The department of gaming shall make an annual report to the governor,  
24 the president of the senate, the speaker of the house of representatives and  
25 each Indian tribe with a new compact within 90 days after the end of the  
26 state's fiscal year. This report shall be separate from any other report of  
27 the department of gaming. The report shall include a statement of aggregate  
28 gross gaming revenue for all Indian tribes, aggregate revenues deposited in  
29 the Arizona benefits fund, including interest thereon, expenditures made from  
30 the Arizona benefits fund, and aggregate amounts contributed by all Indian  
31 tribes to cities, towns and counties pursuant to paragraph 4 of this  
32 subsection. The department of gaming shall provide a copy of this report to  
33 the secretary of state and the director of the Arizona state library,  
34 archives and public records.

35 2. Except for monies expended by the department of gaming as provided  
36 in subdivision (a) of paragraph 3 of this subsection, which shall be subject  
37 to appropriation, the Arizona benefits fund is not subject to appropriation,  
38 and expenditures from the fund are not subject to outside approval  
39 notwithstanding any statutory provision to the contrary. Monies paid to the  
40 state by Indian tribes pursuant to a new compact shall be deposited directly  
41 with the Arizona benefits fund. On notice from the department of gaming, the  
42 state treasurer shall invest and divest monies in the Arizona benefits fund  
43 as provided by section 35-313, and monies earned from investment shall be  
44 credited to the fund. Monies in the Arizona benefits fund shall be expended  
45 only as provided in paragraph 3 of this subsection, and shall not revert to

1 any other fund, including the state general fund. Monies in the Arizona  
2 benefits fund are exempt from the provisions of section 35-190 relating to  
3 the lapsing of appropriations.

4 3. Monies in the Arizona benefits fund, including all investment  
5 earnings, shall be allocated as follows:

6 (a)(i) Eight million dollars or nine percent, whichever is greater,  
7 shall be used for reimbursement of administrative and regulatory expenses,  
8 including expenses for development of and access to any online electronic  
9 game management systems and for law enforcement activities incurred by the  
10 department of gaming pursuant to this chapter. Any monies that are allocated  
11 pursuant to this subsection 3(a) that are not appropriated to the department  
12 of gaming shall be deposited in the instructional improvement fund  
13 established by section ~~15-978~~ 15-979.

14 (ii) Two percent shall be used by the department of gaming to fund  
15 state and local programs for the prevention and treatment of, and education  
16 concerning, problem gambling.

17 (b) Of the monies in the Arizona benefits fund that are not allocated  
18 pursuant to subdivision (a):

19 (i) Fifty-six percent shall be deposited in the instructional  
20 improvement fund established by section ~~15-978~~ 15-979 for use by school  
21 districts for classroom size reduction, teacher salary increases, dropout  
22 prevention programs, and instructional improvement programs.

23 (ii) Twenty-eight percent shall be deposited in the trauma and  
24 emergency-services fund established by section 36-2903.07.

25 (iii) Eight percent shall be deposited in the Arizona wildlife  
26 conservation fund established by section 17-299.

27 (iv) Eight percent shall be deposited in the tourism fund account  
28 established by paragraph 4 of subsection A of section 41-2306 for statewide  
29 tourism promotion.

30 4. In addition to monies contributed to the Arizona benefits fund,  
31 twelve percent of tribal contributions pursuant to new compacts shall be  
32 contributed by Indian tribes to cities, towns and counties as defined in  
33 title 11, Arizona Revised Statutes, for government services that benefit the  
34 general public, including public safety, mitigation of impacts of gaming, and  
35 promotion of commerce and economic development.

36 (a) An Indian tribe may distribute such funds directly to cities,  
37 towns and counties for these purposes. The amount of monies so distributed  
38 by each Indian tribe shall be reported to the department of gaming in the  
39 quarterly report required by the new compact.

40 (b) Any monies comprising the twelve percent not so distributed by an  
41 Indian tribe shall be deposited in the commerce and economic development  
42 commission local communities fund established by section 41-1505.12 for  
43 grants to cities, towns and counties.

1           5. The deposit of monies required by subdivision (b) of paragraph 3

9 (5) Online electronic game management system. Each gaming facility  
10 must have an online electronic game management system that meets the  
11 requirements of appendix A.

12 (a) If the tribe is Ak-Chin Indian community, Ft. McDowell Yavapai  
13 nation, Gila River Indian community, Pascua Yaqui tribe, Salt River  
14 Pima-Maricopa Indian community, or Tohono O'odham nation, then the gaming  
15 facility operator shall provide the state gaming agency with real time  
16 read-only electronic access to the online electronic game management system  
17 for each gaming facility of the tribe that is located within forty (40) miles  
18 of a municipality with a population of more than four hundred thousand  
19 (400,000), to provide the state gaming agency a more effective and efficient  
20 means of regulating gaming devices and tracking revenues.

21 1. The state gaming agency's real time read-only electronic access  
22 shall be limited to the following data maintained by the online electronic  
23 game management system, provided that the data is available in real-time and  
24 providing real-time access does not result in the loss of accumulation of  
25 data elements: coin in; coin out; drop (bills and coins); individual bills  
26 denomination; vouchers; theoretical hold; variances; jackpots; machine fills;  
27 ticket in; ticket out; slot door opening; drop door opening; cash box  
28 opening; ticket in opening; ticket out opening; and no-communication. If  
29 providing this data in real-time would result in the loss of accumulation of  
30 data elements, the gaming facility operator must provide the state gaming  
31 agency with access to the data via end-of-day reports containing the required  
32 data.

33 2. The state gaming agency shall phase in the system to provide it  
34 with real time read-only access to the online electronic game management  
35 system over a three year period. The state gaming agency shall pay the cost  
36 of:

37 A. Constructing and maintaining a dedicated telecommunications  
38 connection between the gaming facility operator's server room and the state  
39 gaming agency's offices;

40 B. Obtaining, installing, and maintaining any hardware or software  
41 necessary to interface between the gaming facility operator's online  
42 electronic game management system and the dedicated telecommunications  
43 connection; and

44 C. Obtaining, installing, and maintaining any hardware or software  
45 required in the state gaming agency's offices.

1           3. The state gaming agency's dedicated telecommunications connection  
2 from its offices to each gaming facility must meet accepted industry  
3 standards for security sufficient to minimize the possibility of any  
4 third-party intercepting any data transmitted from the gaming facility  
5 operator's online electronic game management system over the connection. The  
6 state gaming agency's system security policy must meet accepted industry  
7 standards to assure that data received from the gaming facility operator's  
8 online electronic game management system will not be accessible to  
9 unauthorized persons or entities.

10           (b) The state gaming agency (and its officers, employees, and agents)  
11 are prohibited from:

12           1. Using any information obtained from the gaming facility operator's  
13 online electronic game management system for any purpose other than to carry  
14 out its duties under this compact; and

15           2. Disclosing any information obtained from the gaming facility  
16 operator's online electronic game management system to any person outside the  
17 state gaming agency, except as provided in section 7(b) and section 12(c).

18           (c) Number of gaming device operating rights and number of gaming  
19 facilities.

20           (1) Number of gaming devices. The tribe's gaming device operating  
21 rights are equal to the sum of its current gaming device allocation, plus any  
22 rights to operate additional gaming devices acquired by the tribe in  
23 accordance with and subject to the provisions of section 3(d). The tribe may  
24 operate one class III gaming device for each of the tribe's gaming device  
25 operating rights.

26           (2) Class II gaming devices. The tribe may operate up to forty (40)  
27 class II gaming devices in a gaming facility without acquiring gaming device  
28 operating rights under section 3(d), but such class II gaming devices shall  
29 be counted against the tribe's number of additional gaming devices. Each  
30 class II gaming device in excess of forty (40) that the tribe operates within  
31 its Indian lands shall be counted against the tribe's current gaming device  
32 allocation.

33           (3) Number of gaming facilities and maximum devices per gaming  
34 facility. The tribe may operate gaming devices in the number of gaming  
35 facilities in column (3) or (4) of the tribe's row in the table, whichever  
36 is lower, but shall not operate more than its maximum devices per gaming  
37 facility in any one gaming facility. The maximum devices per gaming facility  
38 for the tribe is the sum of the tribe's current gaming device allocation  
39 (including automatic periodic increases under section 3(c)(4)), plus the  
40 tribe's additional gaming devices, except if the tribe is Salt River  
41 Pima-Maricopa Indian community, Gila River Indian community, Pascua Yaqui  
42 tribe, Tohono O'odham nation, or Navajo nation, then the maximum devices per  
43 gaming facility is the same number as the maximum devices per gaming facility  
44 for Ak-Chin Indian community and Ft. McDowell Yavapai nation. If the tribe

is the Tohono O'odham nation, and if the tribe operates four (4) gaming facilities, then at least one of the four (4) gaming facilities shall:

(i) Be at least fifty (50) miles from the existing gaming facilities of the tribe in the Tucson metropolitan area as of the effective date;

(ii) Have no more than six hundred forty-five (645) gaming devices; and

(iii) Have no more than seventy-five (75) card game tables.

(4) Periodic increase. During the term of this compact, the tribe's current gaming device allocation shall be automatically increased (but not decreased), without the need to amend this compact on each five-year anniversary of the effective date, to the number equal to the current gaming device allocation specified in the table multiplied by the population adjustment rate (with any fractions rounded up to the next whole number).

(5) Gaming device allocation table.

(6) If the tribe is not listed on the table, the tribe's current device allocation shall be four hundred seventy-five (475) gaming devices and the tribe's revised gaming facility allocation shall be two (2) gaming facilities.

(7) Multi-station devices. No more than two and one-half percent (2.5%) of the gaming devices in a gaming facility (rounded off to the nearest whole number) may be multi-station devices.

(d) Transfer of gaming device operating rights.

(1) Transfer requirements. During the term of this compact, the tribe may enter into a transfer agreement with one or more Indian tribes to acquire gaming device operating rights up to the tribe's number of additional gaming devices or to transfer some or all the tribe's gaming device operating rights up to the tribe's current gaming device allocation, except that if the tribe is Navajo nation, then the tribe may transfer only up to 1400 gaming devices of its current gaming device allocation. The tribe's acquisition or transfer of gaming device operating rights is subject to the following conditions:

(a) Gaming compact. Each Indian tribe that is a party to a transfer agreement must have a valid and effective new compact as defined in A.R.S. section 5-601.02(I)(6) that contains a provision substantially similar to this section 3(d) permitting transfers of the Indian tribe's gaming device operating rights.

(b) Forbearance agreement. If the tribe enters into a transfer agreement to transfer some or all of its gaming device operating rights the tribe shall also execute a forbearance agreement with the state. The forbearance agreement shall include:

1. A waiver of all rights of the tribe to put into play or operate the number of gaming device operating rights transferred during the term of the transfer agreement;

2. An agreement by the tribe to reduce its gaming facility allocation during the term of the transfer agreement as follows:

Number of transferred gaming device operating rights	Reductions in gaming facility allocation
1 - 475	1
476 - 1020	2
1021 - 1400	3

(i) If the tribe's number under column (4) of the table is lower than the tribe's number under column (3), then the tribe shall be credited for the reduction, if the tribe enters into a transfer agreement.

1 (ii) The numbers in the column under number of transferred gaming  
2 device operating rights shall be increased on each five-year anniversary of  
3 the effective date by multiplying each such number, other than one (1), by  
4 the population adjustment rate.

5 (iii) Reductions in the gaming facility allocation will be based on  
6 the cumulative total number of gaming device operating rights transferred by  
7 the tribe under all transfer agreements that are in effect.

8 (iv) If the tribe is the Navajo nation, then the tribe's gaming  
9 facility allocation shall be two (2), even if the tribe transfers up to 1400  
10 gaming device operating rights.

11 (c) Gaming facility not required. The tribe may transfer unused  
12 gaming device operating rights whether or not it has a gaming facility  
13 allocation.

14 (d) Current operation. The tribe must operate gaming devices at least  
15 equal to its current gaming device allocation before, or simultaneously with,  
16 the tribe acquiring the right to operate additional gaming devices by a  
17 transfer agreement. The tribe is not required to utilize any gaming device  
18 operating rights it acquires, or to utilize them prior to acquiring  
19 additional gaming device operating rights.

20 (e) Transfer of acquired gaming device operating rights prohibited.  
21 The tribe shall not at any time simultaneously acquire gaming device  
22 operating rights and transfer gaming device operating rights pursuant to  
23 transfer agreements.

24 (2) Transfer agreements. Transfers of gaming device operating rights  
25 may be made pursuant to a transfer agreement between two Indian tribes. A  
26 transfer agreement must include the following provisions:

27 (a) Number. The number of gaming device operating rights transferred  
28 and acquired.

29 (b) Term. The duration of the transfer agreement.

30 (c) Consideration. The consideration to be paid by the Indian tribe  
31 acquiring the gaming device operating rights to the Indian tribe transferring  
32 the gaming device operating rights and the method of payment.

33 (d) Dispute resolution. The dispute resolution and enforcement  
34 procedures, including a provision for the state to receive notice of any such  
35 proceeding.

36 (e) Notice. A procedure to provide quarterly notice to the state  
37 gaming agency of payments made and received, and to provide timely notice of  
38 disputes, revocation, amendment, and termination.

39 (3) Transfer notice. At least thirty (30) days prior to the execution  
40 of a transfer agreement, the tribe must send to the state gaming agency a  
41 transfer notice of its intent to acquire or transfer gaming device operating  
42 rights. The transfer notice shall include a copy of the proposed transfer  
43 agreement, the proposed forbearance agreement and a copy of the tribal  
44 resolution authorizing the acquisition or transfer.

1           (4) State gaming agency denial of transfer. The state gaming agency  
2 may deny a transfer as set forth in a transfer notice only if:

3           (i) The proposed transfer violates the conditions set forth in section  
4 3(d)(1), or

5           (ii) The proposed transfer agreement does not contain the minimum  
6 requirements listed in section 3(d)(2). The state gaming agency's denial of  
7 a proposed transfer must be in writing, must include the specific reason(s)  
8 for the denial (including copies of all documentation relied upon by the  
9 state gaming agency to the extent allowed by state law), and must be received  
10 by the tribe within thirty (30) days of the state gaming agency's receipt of  
11 the transfer notice. If the tribe disputes the state gaming agency's denial  
12 of a proposed transfer, the tribe shall have the right to have such dispute  
13 resolved pursuant to section 15.

14           (5) Effective date of transfer. If the tribe does not receive a  
15 notice of denial of the transfer from the state gaming agency within the time  
16 period specified above, the proposed transfer agreement shall become  
17 effective on the later of the thirty-first (31st) day following the state  
18 gaming agency's receipt of the transfer notice or the date set forth in the  
19 transfer agreement.

20           (6) Use of brokers. The tribe shall not contract with any person to  
21 act as a broker in connection with a transfer agreement. No person shall be  
22 paid a percentage fee or a commission as a result of a transfer agreement,  
23 nor shall any person receive a share of any financial interest in the  
24 transfer agreement or the proceeds generated by the transfer agreement. Any  
25 person acting as a broker in connection with a transfer agreement is  
26 providing gaming services.

27           (7) Revenue from transfer agreements. The tribe agrees that:

28           (i) All proceeds received by the tribe as a transferor under a  
29 transfer agreement are net revenues from tribal gaming as defined by the act  
30 and that such proceeds shall be used for the purposes permitted under the  
31 act; and

32           (ii) The tribe shall include the proceeds in an annual audit and shall  
33 make available to the state that portion of the audit addressing proceeds  
34 from transfer agreements.

35           (8) Agreed upon procedures report. The tribe agrees to provide to the  
36 state gaming agency, either separately or with the other party to the  
37 transfer agreement, an agreed upon procedures report from an independent  
38 certified public accountant. The procedures to be examined and reported upon  
39 are whether payments made under the transfer agreement were made in the  
40 proper amount, made at the proper time, and deposited in an account of the  
41 Indian tribe transferring gaming device operating rights.

42           (9) State payment. Proceeds received by the tribe as a transferor  
43 under a transfer agreement from the transfer of gaming device operating  
44 rights are not subject to any payment to the state under this compact or  
45 otherwise.

1           (10) Compact enforcement; effect on transfer agreements. If the tribe  
2 acquires gaming device operating rights under a transfer agreement, no  
3 dispute between the state and the other party to the transfer agreement shall  
4 affect the tribe's rights under the transfer agreement or the tribe's  
5 obligations to make the payments required under the transfer agreement. If  
6 the tribe transfers gaming device operating rights under a transfer  
7 agreement, no dispute between the state and the other party to the transfer  
8 agreement shall affect the tribe's rights under the transfer agreement or the  
9 obligations of the other party to the transfer agreement to make the payments  
10 required under the transfer agreement. These provisions shall not apply to  
11 a dispute among the state and both parties to a transfer agreement regarding  
12 the validity of a transfer agreement or to a dispute between the parties to  
13 a transfer agreement regarding a breach of the transfer agreement.

14           (11) Access to records regarding transfer agreement. The state gaming  
15 agency shall have access to all records of the tribe directly relating to  
16 transfer agreements and forbearance agreements under section 7(b).

17           (12) Transfer and acquisition of pooled gaming devices.

18           (a) The tribe is authorized to join with other Indian tribes to  
19 periodically establish a pool to collect gaming device operating rights from  
20 Indian tribes that desire to transfer gaming device operating rights and  
21 transfer them to Indian tribes that desire to acquire gaming device operating  
22 rights. If the tribe is operating all of its current gaming device  
23 allocation and, after making reasonable efforts to do so, the tribe is not  
24 able to acquire additional gaming devices pursuant to an agreement described  
25 in section 3(d)(2), the tribe may acquire additional gaming devices up to the  
26 number specified in the table for the tribe from a transfer pool under  
27 procedures agreed to by Indian tribes participating in the transfer pool and  
28 the state.

29           (b) The tribe and the state are authorized to establish a pooling  
30 mechanism, under procedures agreed to by the tribe and the state, by which  
31 the rights to operate gaming devices that are not in operation may be  
32 acquired by an Indian tribe through an agreement with the state. If the  
33 tribe is operating all of its current gaming device allocation and, after  
34 making reasonable efforts to do so, the tribe is not able to acquire  
35 additional gaming devices pursuant to an agreement described in section  
36 3(d)(2) or from any transfer pool established pursuant to section 3(d)(12)(a)  
37 within 90 days after the opening of a transfer pool established pursuant to  
38 section 3(d)(12)(a), the tribe may acquire additional gaming devices from the  
39 state up to the number specified in the table for the tribe at a price that  
40 is at least one hundred percent (100%) of the highest price paid to date for  
41 the transfer of at least one hundred (100) gaming device operating rights for  
42 a term of at least five (5) years. The monies paid by an Indian tribe to  
43 acquire additional gaming devices under an agreement pursuant to this section  
44 3(d)(12)(b) shall benefit Indian tribes that have the right to operate gaming  
45 devices that are eligible to be transferred and are not in operation. The

1 state shall provide Indian tribes that are eligible to enter into an  
2 agreement with the state pursuant to this section 3(d)(12)(b) the opportunity  
3 to participate in the pool pursuant to the procedures agreed to by the tribe  
4 and the state.

5 (c) Prior to agreeing to any procedures with any Indian tribe pursuant  
6 to sections 3(d)(12)(a) or (b), the state shall provide notice to the tribe  
7 of the proposed procedures.

8 (e) Number of card game tables.

9 (1) Number of card game tables; number of players per game. Subject  
10 to the terms and conditions of this compact, the tribe is authorized to  
11 operate up to seventy-five (75) card game tables within each gaming facility  
12 that is located more than forty (40) miles from any municipality with a  
13 population of more than four hundred thousand (400,000) persons; and up to  
14 one hundred (100) card game tables within each gaming facility that is  
15 located within forty (40) miles of a municipality with a population of more  
16 than four hundred thousand (400,000) persons. Each blackjack table shall be  
17 limited to no more than seven (7) available player positions plus the dealer.  
18 Each poker table shall be limited to no more than ten (10) available player  
19 positions plus the dealer. The tribe agrees that it will not operate card  
20 games outside of a gaming facility.

21 (2) Periodic increases in the number of card game tables. The number  
22 of card game tables that the tribe is authorized to operate in each gaming  
23 facility shall be automatically increased (but not decreased), without the  
24 need to amend this compact on each five-year anniversary of the effective  
25 date, to the number that is equal to the number of card game tables the tribe  
26 is authorized to operate in each gaming facility set forth in section 3(e)(1)  
27 multiplied by the applicable population adjustment rate (with any fraction  
28 rounded up to the next whole number).

29 (f) Number of keno games. Subject to the terms and conditions of this  
30 compact, the tribe is authorized to operate no more than two (2) keno games  
31 per gaming facility.

32 (g) Inter-tribal parity provisions.

33 (1) Gaming devices. Except as provided in section 3(g)(5), if, during  
34 the term of this compact:

35 (a) An Indian tribe listed on the table is authorized or permitted to  
36 operate in the state:

37 1. More class III gaming devices than the total number of that Indian  
38 tribe's current gaming device allocation in column (1) of the table, plus the  
39 number of that Indian tribe's additional gaming devices in column (2) of the  
40 table; or

41 2. More class III gaming devices than that Indian tribe's current  
42 gaming device allocation in column (1) of the table without acquiring gaming  
43 device operating rights pursuant to and in accordance with section 3(d); or

1           3. More class III gaming devices within a single gaming facility than  
2 that Indian tribe's maximum devices per gaming facility (as adjusted in  
3 accordance with section 3(c)(3)); or

4           (b) Any Indian tribe not listed on the table is authorized or  
5 permitted after the effective date to operate in the state more than four  
6 hundred seventy-five (475) class III gaming devices, or more than five  
7 hundred twenty-three (523) additional gaming devices under terms other than  
8 section 3(d); then

9           (c) The following remedies shall be available to the tribe to elect,  
10 as the tribe may determine in its sole discretion, from time to time:

11           1. The tribe shall automatically be entitled to a greater number of  
12 gaming device operating rights, without the need to amend this compact and  
13 without the need to acquire any gaming device operating rights under section  
14 3(d). The greater number of gaming device operating rights is the product  
15 of a ratio (which is the total number of class III gaming devices the other  
16 Indian tribe is in fact authorized or permitted to operate following the  
17 occurrence of any of the events specified in subsections (a) or (b) of this  
18 section 3(g)(1) divided by the total number assigned to the other Indian  
19 tribe under column (1) plus column (2) of the table) multiplied by the total  
20 number assigned to the tribe in column (1) plus column (2) of the table. If  
21 the tribe is not listed on the table, then the ratio described in the  
22 previous sentence is multiplied by the tribe's total number of gaming devices  
23 authorized in the compact; and

24           2. The tribe shall automatically be entitled to immediately reduce its  
25 obligations to make contributions to the state under section 12. Instead of  
26 the amounts payable under section 12(b), the tribe shall make quarterly  
27 contributions to the state equal to seventy-five hundredths of one percent  
28 (.75%) of its class III net win for the prior quarter. This remedy will not  
29 be available after any Indian tribe with a new compact as defined in A.R.S.  
30 section 5-601.02(I)(6) enters its final renewal period as described in  
31 section 23(b)(3).

32           (2) Contribution terms. If, during the term of this compact any other  
33 Indian tribe is authorized or permitted to operate gaming devices in the  
34 state and the terms of the other Indian tribe's obligation to make  
35 contributions to the state are more favorable to the other Indian tribe than  
36 the obligation of the tribe to make contributions to the state under the  
37 terms of section 12, then the tribe may elect to have section 12  
38 automatically amended to conform to those more favorable terms.

39           (3) Additional class III gaming. Except as provided in section  
40 3(g)(5), if during the term of this compact, any Indian tribe is authorized  
41 to operate:

42           (a) A form of class III gaming in the state that is not listed in  
43 section 3(a), then the tribe shall be entitled to operate the additional form  
44 of gaming that the other Indian tribe is authorized to operate, without the  
45 need to amend this compact.

1 (b) Blackjack on more card game tables per gaming facility than  
2 authorized under this compact, then the tribe shall be entitled to operate  
3 blackjack on the additional number of card game tables that the other Indian  
4 tribe is authorized to operate, without the need to amend this compact.

5 (4) Wager limits. Except as provided in section 3(g)(5), if, during  
6 the term of this compact, any Indian tribe is authorized or permitted to  
7 operate in the state any class III gaming devices or card game tables with  
8 higher wager limits than the wager limits specified in section 3, then the  
9 tribe is also authorized to operate its gaming devices and/or card game  
10 tables with the same higher wager limits, without the need to amend this  
11 compact.

12 (5) Exceptions. The provisions of section 3(g) shall not be  
13 triggered:

14 (a) By the automatic periodic increases in:

15 (i) The current gaming device allocation provided in section 3(c)(4),  
16 or the resulting increase in the maximum device per gaming facility;

17 (ii) The number of authorized card game tables provided in section  
18 3(e)(2); or

19 (iii) The authorized wager limits for gaming devices or card game  
20 tables provided in section 3(m)(4);

21 (b) If the state enters into a compact with an Indian tribe listed as  
22 a non-gaming tribe on the table that provides a number of additional gaming  
23 devices that is no greater than the largest number of additional gaming  
24 devices shown on the table for another Indian tribe with the same current  
25 gaming device allocation as shown on the table for such non-gaming tribe; and

26 (c) By the provisions of a pre-existing compact as defined in A.R.S.  
27 section 5-601.02(I)(5).

28 (h) Additional gaming due to changes in state law with respect to  
29 persons other than Indian tribes.

30 (1) If, on or after May 1, 2002, state law changes or is interpreted  
31 in a final judgment of a court of competent jurisdiction or in a final order  
32 of a state administrative agency to permit either a person or entity other  
33 than an Indian tribe to operate gaming devices; any form of class III gaming  
34 (including video lottery terminals) that is not authorized under this  
35 compact, other than gambling that is lawful on May 1, 2002 pursuant to A.R.S.  
36 section 13-3302; or poker, other than poker that is lawful on May 1, 2002  
37 pursuant to A.R.S. section 13-3302, then, upon the effective date of such  
38 state law, final judgment, or final order:

39 (a) The tribe shall be authorized under this compact to operate class  
40 III gaming devices without limitations on the number of gaming devices, the  
41 number of gaming facilities, or the maximum gaming devices per gaming  
42 facility, and without the need to amend this compact;

43 (b) The tribe shall be authorized under this compact to operate table  
44 games, without limitations on the number of card game tables, on wagers, or

1 on the types of games, and without the need to amend this compact, subject  
2 to the provisions of 3(b)(3); and

3 (c) In addition to sections 3(h)(1)(a) and (b), the tribe's obligation  
4 under section 12 to make contributions to the state shall be immediately  
5 reduced. Instead of the amounts payable under section 12(b), the tribe shall  
6 make quarterly contributions to the state equal to seventy-five hundredths  
7 of one percent (.75%) of its class III net win for the prior quarter.

8 (2) The provisions of this section 3(h) shall not apply to casino  
9 nights operated by non-profit or charitable organizations pursuant to and  
10 qualified under A.R.S. section 13-3302(b); to social gambling as defined in  
11 A.R.S. section 13-3301(7); to any paper product lottery games, including  
12 ticket dispensing devices of the nature used prior to May 1, 2002, by the  
13 Arizona lottery; or to low-wager, non-banked recreational pools or similar  
14 activities operated by and on the premises of retailers licensed under title  
15 4, Arizona Revised Statutes, as may be authorized by state law.

16 (i) Notice. Prior to the tribe obtaining rights under sections 3(g)  
17 or (h), either the tribe or the state must first give written notice to the  
18 other describing the facts which the tribe or the state contend either do or  
19 may satisfy the elements of sections 3(g) or (h). The receiving party shall  
20 serve a written response on the other party within thirty (30) days of  
21 receipt of the notice. If the parties do not agree on whether sections 3(g)  
22 or (h) have been triggered, the dispute may be submitted to dispute  
23 resolution under section 15 by either the tribe or the state.

24 (j) Location of gaming facility.

25 (1) All gaming facilities shall be located on the Indian lands of the  
26 tribe. All gaming facilities of the tribe shall be located not less than one  
27 and one-half (1 1/2) miles apart unless the configuration of the Indian lands  
28 of an Indian tribe makes this requirement impracticable. The tribe shall  
29 notify the state gaming agency of the physical location of any gaming  
30 facility a minimum of thirty (30) days prior to commencing gaming activities  
31 at such location. Gaming activity on lands acquired after the enactment of  
32 the act on October 17, 1988 shall be authorized only in accordance with 25  
33 U.S.C. § 2719.

34 (2) Notice to surrounding communities. The tribe shall notify  
35 surrounding communities regarding new or substantial modifications to gaming  
36 facilities and shall develop procedures for consultation with surrounding  
37 communities regarding new or substantial modifications to gaming facilities.

38 (k) Financial services in gaming facilities. The tribe shall enact  
39 a tribal ordinance establishing responsible restrictions on the provision of  
40 financial services at gaming facilities. At a minimum, the ordinance shall  
41 prohibit:

42 (1) Locating an automatic teller machine ("ATM") adjacent to, or in  
43 close proximity to, any gaming device;

1 (2) Locating in a gaming facility an ATM that accepts electronic  
2 benefit transfer cards issued pursuant to a state or federal program that is  
3 intended to provide for needy families or individuals;

4 (3) Accepting checks or other non-cash items issued pursuant to a  
5 state or federal program that is intended to provide for needy families or  
6 individuals; and

7 (4) The gaming facility operator from extending credit to any patron  
8 of a gaming facility for gaming activities.

9 (1) Forms of payment for wagers. All payment for wagers made for  
10 gaming activities conducted by the tribe on its Indian lands, including the  
11 purchase of tokens for use in wagering, shall be made by cash, cash  
12 equivalent, credit card or personal check. Automatic teller machines (ATMs)  
13 may be installed at a gaming facility.

14 (m) Wager limitations.

15 (1) For gaming devices. The maximum wager authorized for any single  
16 play of a gaming device is twenty five dollars (\$25.00).

17 (2) For blackjack. The maximum wager authorized for any single  
18 initial wager on a hand of blackjack by each individual player shall be (a)  
19 five hundred dollars (\$500.00) at up to ten (10) card game tables per gaming  
20 facility, and (b) two hundred and fifty dollars (\$250.00) for all other card  
21 game tables in a gaming facility. The foregoing maximum wager limits shall  
22 apply to each subsequent wager that an individual player shall be entitled  
23 to make on the same hand as the result of "splits" and/or "doubling down"  
24 during the play of such hand.

25 (3) For poker. The wager limits for a hand of poker shall be (a)  
26 \$75.00/\$150.00 at up to ten (10) card game tables per gaming facility, and  
27 (b) \$20.00/\$40.00 for all other card game tables in a gaming facility.

28 (4) Periodic increases in wager limitations. During the term of this  
29 compact, the wager limitations set forth in this section 3(m) shall each be  
30 automatically increased (but not decreased) without the need to amend this  
31 compact on each five-year anniversary of the effective date to an amount  
32 equal to the wager limitations specified in sections 3(m)(1), (2) and (3)  
33 multiplied by the CPI adjustment rate (with all amounts rounded up to the  
34 next whole dollar). The tribe will notify the state gaming agency of such  
35 wager limitation adjustments as soon as reasonably possible after the CPI  
36 adjustment rate has been determined.

37 (n) Hours of operation. The tribe may establish by ordinance or  
38 regulation the permissible hours and days of operation of gaming activities;  
39 provided, however, that with respect to the sale of liquor the tribe shall  
40 comply with all applicable state liquor laws at all gaming facilities.

41 (o) Ownership of gaming facilities and gaming activities. The tribe  
42 shall have the sole proprietary interest in the gaming facilities and gaming  
43 activities. This provision shall not be construed to prevent the tribe from  
44 granting security interests or other financial accommodations to secured

1 parties, lenders, or others, or to prevent the tribe from entering into  
2 leases or financing arrangements.

3 (p) Prohibited activities. Any class III gaming not specifically  
4 authorized in this section 3 is prohibited. Except as provided herein,  
5 nothing in this compact is intended to prohibit otherwise lawful and  
6 authorized class II gaming upon the tribe's Indian lands or within the gaming  
7 facilities.

8 (q) Operation as part of a network. Gaming devices authorized  
9 pursuant to this compact may be operated to offer an aggregate prize or  
10 prizes as part of a network, including a network:

11 (1) With the gaming devices of other Indian tribes located within the  
12 state that have entered into tribal-state gaming compacts with the state, or

13 (2) Beyond the state pursuant to a mutually-agreed appendix containing  
14 technical standards for wide area networks.

15 (r) Prohibition on firearms. The possession of firearms by any person  
16 within a gaming facility shall be strictly prohibited. This prohibition  
17 shall not apply to certified law enforcement officers authorized to be on the  
18 premises as well as any private security service retained to provide security  
19 at a gaming facility, or armored car services.

20 (s) Financing. Any third-party financing extended or guaranteed for  
21 the gaming operation and gaming facilities shall be disclosed to the state  
22 gaming agency, and any person extending such financing shall be required to  
23 be licensed by the tribe and annually certified by the state gaming agency,  
24 unless said person is an agency of the United States or a lending institution  
25 licensed and regulated by the state or the United States.

26 (t) Record-keeping. The gaming facility operator or the tribal gaming  
27 office, whichever conducts surveillance, shall maintain the following logs  
28 as written or computerized records which shall be available for inspection  
29 by the state gaming agency in accordance with section 7(b): a surveillance  
30 log recording all material surveillance activities in the monitoring room of  
31 the gaming facilities; and a security log recording all unusual occurrences  
32 investigated by the tribal gaming office. The gaming facility operator or  
33 the tribal gaming office, whichever conducts surveillance, shall retain video  
34 recordings made in accordance with appendix C for at least seven (7) days  
35 from the date of original recording.

36 (u) Barred persons. The tribal gaming office shall establish a list  
37 of persons barred from the gaming facilities because their criminal history  
38 or association with career offenders or career offender organizations poses  
39 a threat to the integrity of the gaming activities of the tribe. The tribal  
40 gaming office shall employ its best efforts to exclude persons on such list  
41 from entry into its gaming facilities. To the extent not previously  
42 provided, the tribal gaming office shall send a copy of its list on a monthly  
43 basis to the state gaming agency, along with detailed information regarding  
44 why the person has been barred and, to the extent available, the barred  
45 person's photograph, driver's license information, and/or fingerprints, to

1 the extent these items are in the possession of the tribal gaming  
2 office. The state gaming agency will establish a list which will contain the  
3 names, and to the extent available, photographs of, and other relevant  
4 information regarding, persons whose reputations, conduct, or criminal  
5 history is such that their presence within a gaming facility may pose a  
6 threat to the public health, safety, or welfare. Such persons will be barred  
7 from all tribal gaming facilities within the state. The tribe agrees that  
8 the state gaming agency may disseminate this list, which shall contain  
9 detailed information about why each person is barred, to all other tribal  
10 gaming offices.

11 (v) Problem gambling.

12 (1) Signage. At all public entrances and exits of each gaming  
13 facility, the gaming facility operator shall post signs stating that help is  
14 available if a person has a problem with gambling and, at a minimum, provide  
15 the statewide toll free crisis hotline telephone number established by the  
16 Arizona state lottery commission.

17 (2) Self-exclusion. The state gaming agency and the tribe shall  
18 comply with the following provisions:

19 (a) The state gaming agency shall establish a list of persons who, by  
20 acknowledging in a manner to be established by the state gaming agency that  
21 they are problem gamblers, voluntarily seek to exclude themselves from gaming  
22 facilities. The state gaming agency shall establish procedures for the  
23 placement on and removal from the list of self-excluded persons. No person  
24 other than the person seeking voluntary self-exclusion shall be allowed to  
25 include any person's name on the self-exclusion list of the state gaming  
26 agency.

27 (b) The tribe shall establish procedures for advising persons who  
28 inquire about self-exclusion about the state gaming agency's procedures.

29 (c) The state gaming agency shall compile identifying information  
30 concerning self-excluded persons. Such information shall contain, at a  
31 minimum, the full name and any aliases of the person, a photograph of the  
32 person, the social security or driver's license number of the person, and the  
33 mailing address of the person.

34 (d) The state gaming agency shall, on a monthly basis, provide the  
35 compiled information to the tribal gaming office. The tribe shall treat the  
36 information received from the state gaming agency under this section as  
37 confidential and such information shall not be disclosed except to other  
38 tribal gaming offices for inclusion on their lists, or to appropriate law  
39 enforcement agencies if needed in the conduct of an official investigation  
40 or unless ordered by a court of competent jurisdiction.

41 (e) The tribal gaming office shall add the self-excluded persons from  
42 the list provided by the state gaming agency to their own list of  
43 self-excluded persons.

44 (f) The tribal gaming office shall require the gaming facility  
45 operator to remove all self-excluded persons from all mailing lists and to

1 revoke any slot or player's cards. The tribal gaming office shall require  
2 the gaming facility operator to take reasonable steps to ensure that cage  
3 personnel check a person's identification against the state gaming agency's  
4 list of self-excluded persons before allowing the person to cash a check or  
5 complete a credit card cash advance transaction.

6 (g) The tribal gaming office shall require the gaming facility  
7 operator to take reasonable steps to identify self-excluded persons who may  
8 be in a gaming facility and, once identified, promptly escort the  
9 self-excluded person from the gaming facility.

10 (h) The tribal gaming office shall prohibit the gaming facility  
11 operator from paying any hand-paid jackpot to a person who is on the tribal  
12 or state gaming agency self-exclusion list. Any jackpot won by a person on  
13 the self-exclusion list shall be donated by the gaming facility operator to  
14 an Arizona-based non-profit charitable organization.

15 (i) Neither the tribe, the gaming facility operator, the tribal gaming  
16 office, nor any employee thereof shall be liable to any self-excluded person  
17 or to any other party in any proceeding and neither the tribe, the gaming  
18 facility operator, nor the tribal gaming office shall be deemed to have  
19 waived its sovereign immunity with respect to any person for any harm,  
20 monetary or otherwise, which may arise as a result of:

21 1. The failure of the gaming facility operator or the tribal gaming  
22 office to withhold or restore gaming privileges from or to a self-excluded  
23 person; or

24 2. Otherwise permitting a self-excluded person to engage in gaming  
25 activity in a gaming facility while on the list of self-excluded persons.

26 (j) Neither the tribe, the gaming facility operator, the tribal gaming  
27 office, nor any employee thereof shall be liable to any self-excluded person  
28 or to any other party in any proceeding, and neither the tribe, the gaming  
29 facility operator, nor the tribal gaming office shall be deemed to have  
30 waived its sovereign immunity with respect to any person for any harm,  
31 monetary or otherwise, which may arise as a result of disclosure or  
32 publication in any manner, other than a willfully unlawful disclosure or  
33 publication, of the identity of any self-excluded person or persons.

34 (k) Notwithstanding any other provision of this compact, the state  
35 gaming agency's list of self-excluded persons shall not be open to public  
36 inspection.

37 (w) Restriction on minors.

38 (1) Until May 31, 2003, no person under 18 years of age shall be  
39 permitted to place any wager, directly or indirectly, in any gaming activity.

40 (2) Prior to May 31, 2003, the tribe shall enact, as tribal law, a  
41 requirement that beginning June 1, 2003, no person under 21 years of age  
42 shall be permitted to place any wager, directly or indirectly, in any gaming  
43 activity.

44 (3) If, during the term of the compact, the state amends its law to  
45 permit wagering by persons under 21 years of age in any gaming activity by

1 a person or entity other than an Indian tribe, the tribe may amend tribal law  
2 to reduce the lawful gaming age under this compact to correspond to the  
3 lawful gaming age under state law.

4 (4) No person under 18 years of age shall be employed as a gaming  
5 employee. No person under 21 years of age shall be employed in the service  
6 of alcoholic beverages at any gaming facility, unless such employment would  
7 be otherwise permitted under state law.

8 (x) Advertising.

9 (1) Right to advertise. The state and the tribe recognize the tribe's  
10 constitutional right to engage in advertising of lawful gaming activities and  
11 nothing in this compact shall be deemed to abrogate or diminish that right.

12 (2) Prohibition on advertising directed to minors. The gaming  
13 facility operator shall not advertise or market gaming activities in a manner  
14 that specifically appeals to minors.

15 (3) Advertising guidelines. Within thirty days after the effective  
16 date, the gaming facility operator shall adopt guidelines for the advertising  
17 and marketing of gaming activities that are no less stringent than those  
18 contained in the American gaming association's general advertising  
19 guidelines.

20 (4) Content of advertising. In recognition of the tribe's  
21 constitutional right to advertise gaming activities, the specific content of  
22 advertising and marketing materials shall not be subject to the provisions  
23 of section 15 of this compact.

24 (y) Internet gaming. The tribe shall not be permitted to conduct  
25 gaming on the internet unless persons other than Indian tribes within the  
26 state or the state are authorized by state law to conduct gaming on the  
27 internet.

28 (z) Lottery products. The tribe will not offer paper lottery products  
29 in competition with the Arizona lottery's pick or powerball games.

30 (aa) Annual statement. The tribe shall submit to the state gaming  
31 agency either an annual statement of compliance with the act regarding the  
32 use of net gaming revenues or a copy of its current gaming ordinance  
33 requiring that net gaming revenues be used according to the act."

34 (iv) The following provisions shall replace the corresponding  
35 provisions in section 4 of the pre-existing compact:

36 "(b) Gaming employees. Every gaming employee shall be licensed by the  
37 tribal gaming office and every employee of the tribal gaming office shall be  
38 licensed by the tribe. Any gaming employee or tribal gaming office employee  
39 that is not an enrolled tribal member shall also be certified by the state  
40 gaming agency prior to commencement of employment, and annually thereafter,  
41 subject to the temporary certification provided in section 5(n). Enrolled  
42 tribal members are not required to be certified by the state as a condition  
43 of employment. Gaming employees that hold the following positions are also  
44 not required to be certified by the state, so long as they do not have  
45 unescorted access to secure areas such as gaming device storage and repair

1 areas, count rooms, vaults, cages, change booths, change banks/cabinets,  
2 security offices and surveillance rooms, revenue accounting offices, and  
3 rooms containing information systems that monitor or control gaming  
4 activities (or, as may be agreed to by the state gaming agency and the tribal  
5 gaming office in a separate agreement delineating the secure areas in the  
6 tribe's gaming facilities):

7 (1) Food and beverage service personnel such as chefs, cooks, waiters,  
8 waitresses, bus persons, dishwashers, food and beverage cashiers, and hosts;

9 (2) Gift shop managers, assistant managers, cashiers, and clerks;

10 (3) Greeters;

11 (4) Landscapers, gardeners, and groundskeepers;

12 (5) Maintenance, cleaning, and janitorial personnel;

13 (6) Stewards and valets;

14 (7) Wardrobe personnel;

15 (8) Warehouse personnel; and

16 (9) Hotel personnel.

17 (d) Manufacturers and suppliers of gaming devices and gaming  
18 services. Each manufacturer and distributor of gaming devices, and each  
19 person providing gaming services, within or without the gaming facility,  
20 shall be licensed by the tribal gaming office and shall be certified by the  
21 state gaming agency prior to the sale or lease of any gaming devices or  
22 gaming services. The tribe shall provide to the state gaming agency a list  
23 of the names and addresses of all vendors providing gaming services on a  
24 periodic basis at the time of the meetings required pursuant to section 6(h)  
25 of this compact. Utilities which are the sole available source of any  
26 particular service to a gaming facility are not required to be certified. A  
27 vendor licensed and regulated by another governmental agency may submit a  
28 supplement to the application on file with the other agency. The state  
29 gaming agency may waive the requirement that a vendor be certified if it  
30 determines that certifying the vendor is not necessary to protect the public  
31 interest."

32 (v) The following provision shall replace the corresponding provisions  
33 in section 5 of the pre-existing compact:

34 "(p) State administrative process; certifications. Any applicant for  
35 state certification agrees by making such application to be subject to state  
36 jurisdiction to the extent necessary to determine the applicant's  
37 qualification to hold such certification, including all necessary  
38 administrative procedures, hearings and appeals pursuant to the  
39 administrative procedures act, title 41, chapter 6, Arizona Revised Statutes  
40 and the administrative rules of the state gaming agency.

41 (q) Administrative process; licenses.

42 (1) Any person applying for licensure by the tribal gaming office  
43 acknowledges that by making such application, the state gaming agency, as set  
44 forth herein, may be heard concerning the applicant's qualifications to hold  
45 such license. If the state recommends revocation, suspension, or denial of

1 a license, and the tribal gaming office revokes, suspends, or denies the  
2 license based on the state gaming agency's recommendation, the person may  
3 appeal that action to the tribe, to the extent any such right exists.

4 (2) If the tribal gaming office takes any action with respect to a  
5 license despite a state recommendation to the contrary, the tribal gaming  
6 office shall afford the state an opportunity for a hearing before an  
7 appropriate tribal forum to contest the tribal gaming office licensing  
8 decision. The decision of the tribal forum shall be final, except as  
9 provided in section 5(q)(4).

10 (3) The tribal gaming office shall afford the state gaming agency the  
11 opportunity to be heard in an appropriate tribal forum on its recommendation  
12 to suspend or revoke the license of any person in the same manner as if the  
13 state gaming agency had recommended denial of the license in the first  
14 instance.

15 (4) Independent tribunal review of tribal forum.

16 (a) Tribunal appointment and process. If the tribal forum upholds a  
17 decision not to follow a gaming employee license recommendation, the state  
18 gaming agency may appeal to an independent three member tribunal by providing  
19 written notice to the tribal gaming office within ten (10) days after  
20 receiving the tribal forum's decision. Within twenty (20) days thereafter,  
21 the CPR or a similar dispute resolution service acceptable to the parties  
22 (the "dispute resolution service"), shall select the tribunal members, except  
23 that upon agreement by the parties, in lieu of selection by the dispute  
24 resolution service, each party may select a tribunal member, and the two  
25 members shall select a third member. If, within five (5) days after their  
26 appointment, the tribunal members appointed by the parties have not agreed  
27 upon a third tribunal member, the dispute resolution service shall select the  
28 third member. All tribunal members, whether appointed by the dispute  
29 resolution service or the parties, shall be (a) impartial, (b) licensed by  
30 and in good standing with a state bar association, and (c) independent from  
31 the state, the state gaming agency, the tribe, and the tribal gaming  
32 office. The tribunal shall hold a hearing and issue its decision within  
33 ninety (90) days after the state gaming agency delivers its written notice  
34 of appeal to the tribal gaming office.

35 (b) Tribunal authority. The tribunal's sole authority shall be to  
36 review the decision of the tribal forum and determine whether the decision  
37 is supported by substantial evidence based on the record as a whole. The  
38 tribunal's hearing shall be conducted in a fair and impartial manner. The  
39 hearing shall be held on the administrative record presented to the tribal  
40 forum. The tribunal's decision shall be final and not subject to further  
41 appeal or to section 15 dispute resolution procedures. If the tribunal  
42 determines the employee should not be licensed, the tribal gaming office  
43 shall promptly revoke the disputed license. The cost of the tribunal and the  
44 hearing shall be borne equally between the state and the tribe."

1 (vi) The following provision shall be added to section 7 of the  
2 pre-existing compact:

3 "(g) Compact compliance review. The state gaming agency is authorized  
4 to conduct an annual, comprehensive compact compliance review of the gaming  
5 operation, gaming facilities, and the gaming activities of the gaming  
6 facility operator to monitor compliance with this compact, any amendments or  
7 appendices to this compact, and other agreements relating to this compact."

8 (vii) Section 12 of the pre-existing compact shall be replaced with  
9 the following:

10 Section 12. Payment of regulatory costs; tribal contributions

11 (a) Payment of regulatory costs. The tribe agrees to pay the state  
12 the necessary costs incurred by the state as a result of the state's  
13 performance of its rights or duties under the terms of this compact. The  
14 tribe's contributions under this section 12 shall satisfy the agreement to  
15 pay those costs.

16 (b) Tribal contributions. In consideration for the substantial  
17 exclusivity covenants by the state in section 3(h), the tribe shall  
18 contribute for the benefit of the public a percentage of the tribe's class  
19 III net win for each fiscal year of the gaming facility operator as follows:

20 (1) One percent (1%) of the first twenty-five million dollars  
21 (\$25,000,000.00);

22 (2) Three percent (3%) of the next fifty million dollars  
23 (\$50,000,000.00);

24 (3) Six percent (6%) of the next twenty-five million dollars  
25 (\$25,000,000.00); and

26 (4) Eight percent (8%) of class III net win in excess of one hundred  
27 million dollars (\$100,000,000.00).

28 (c) Arizona benefits fund. The tribe shall make eighty-eight percent  
29 (88%) of its total annual contribution under section 12(b) to the Arizona  
30 benefits fund established by A.R.S. 5-601.02(H). The state agrees that the  
31 Arizona benefits fund shall be used for the purpose of administering the  
32 contributions made by the tribe to the state in accordance with the  
33 provisions of section 12(b). All contributions to the state from the tribe  
34 pursuant to this section 12(c), and all contributions to the state from other  
35 Indian tribes that have entered into tribal-state gaming compacts with the  
36 state that contain similar provisions, shall be deposited in the Arizona  
37 benefits fund administered by the state gaming agency. The state agrees to  
38 invest all monies in the Arizona benefits fund in accordance with A.R.S.  
39 section 35-313; monies earned from such investment may only be credited to  
40 the Arizona benefits fund. The state agrees that contributions paid to the  
41 state by the tribe under this section 12(c) shall only be distributed as  
42 provided in A.R.S. section 5-601.02, as adopted by the people of the state  
43 at the November 5, 2002 election, and the state shall not impose any tax,  
44 fee, charge, or other assessment upon the tribe's gaming operations.

1 (d) Distributions by tribe to cities, towns and counties. The tribe  
2 shall make twelve percent (12%) of its total annual contribution under  
3 section 12(b) in either or both of the following forms:

4 (1) Distributions to cities, towns or counties for government services  
5 that benefit the general public, including public safety, mitigation of  
6 impacts of gaming, or promotion of commerce and economic development;

7 (2) Deposits to the commerce and economic development commission local  
8 communities fund established by A.R.S. section 41-1505.12.

9 (e) Contribution schedule.

10 (1) Tribal contributions pursuant to section 12(b) shall be paid  
11 quarterly to the state gaming agency, other than the amounts distributed or  
12 deposited to benefit cities, towns and counties under section 12(d). The  
13 contributions shall be calculated based on the tribe's class III net win for  
14 each quarter of the gaming facility operator's fiscal year. Contributions  
15 shall be made no later than twenty-five (25) days after the last day of each  
16 fiscal quarter.

17 (2) At the time each quarterly contribution is made, the tribe shall  
18 submit to the state gaming agency a report indicating the class III net win  
19 by gaming activity for the quarter, and the amounts paid under sections 12(c)  
20 and (d).

21 (3) The tribe's first quarterly contribution will be calculated based  
22 on the tribe's class III net win for the first full fiscal quarter after the  
23 effective date.

24 (4) Following the state gaming agency's receipt of the annual audit  
25 pursuant to section 11(c), any overpayment of monies by the tribe pursuant  
26 to this section shall be credited to the tribe's next quarterly contribution.  
27 Any underpayment of monies shall be paid by the tribe within thirty (30) days  
28 of the state gaming agency's receipt of the annual audit.

29 (f) Reduction of tribal contributions. In the event that tribal  
30 contributions are reduced pursuant to sections 3(g) or (h), the tribe shall  
31 make the reduced contributions under the terms of this section 12, and these  
32 monies shall be used in the manner set forth in A.R.S. section  
33 5-601.02(H)(3)(a) as adopted by the people of the state at the November 5,  
34 2002 election."

35 (viii) The following provisions shall replace the corresponding  
36 provisions, or be added to the provisions, as the case may be, in section 13  
37 of the pre-existing compact:

38 "(b) Emergency service accessibility. The tribe shall require the  
39 gaming facility operator to make provisions for adequate emergency  
40 accessibility and service. Mutual aid and emergency response service  
41 agreements will be entered as needed with entities from the surrounding  
42 communities.

43 (e) Law enforcement. The tribe shall implement a written law  
44 enforcement services plan that provides a comprehensive and effective means  
45 to address criminal and undesirable activity at the gaming facilities. This

1 plan shall provide that sufficient law enforcement resources are available  
2 twenty-four hours a day seven days per week to protect the public health,  
3 safety, and welfare at the gaming facilities. The tribe and the state shall  
4 investigate violations of state gambling statutes and other criminal  
5 activities at the gaming facilities. To accommodate investigations and  
6 intelligence sharing, the tribe will provide that a police officer holding  
7 current Arizona police officer standards and training (POST) certification  
8 is employed by the gaming facility operator, tribal gaming office, or tribal  
9 police department, and assigned to handle gaming-related matters when they  
10 arise. Intelligence liaisons will be established at the tribal police  
11 department or tribal gaming office and also at the state gaming  
12 agency. There will be federal, tribal, and state cooperation in task force  
13 investigations. The state gaming agency's intelligence unit will gather,  
14 coordinate, centralize, and disseminate accurate and current intelligence  
15 information pertaining to criminal and undesirable activity that may threaten  
16 patrons, employees, or assets of the gaming industry. The state and the  
17 tribe will coordinate the use of resources, authority, and personnel of the  
18 state and the tribe for the shared goal of preventing and prosecuting  
19 criminal or undesirable activity by players, employees, or businesses in  
20 connection with tribal gaming facilities. Violations of state criminal  
21 gambling statutes on tribal lands may be prosecuted as federal crimes in  
22 federal court."

23 (ix) Section 15 of the pre-existing compact shall be replaced with the  
24 following:

25 "Section 15. Dispute resolution

26 (a) Notice/negotiation. If either the tribe or the state believes the  
27 other has failed to comply with the requirements set forth in this compact,  
28 or if a dispute arises as to the proper interpretation of those requirements,  
29 then either party may serve a written notice on the other identifying the  
30 specific provision or provisions of the compact in dispute and specifying in  
31 detail the factual bases for any alleged non-compliance and/or the  
32 interpretation of the provision of the compact proposed by the party  
33 providing notice. Within ten (10) days following delivery of the written  
34 notice of dispute, the executive director of the tribal gaming office and the  
35 director of the state gaming agency shall meet in an effort to voluntarily  
36 resolve the compliance or interpretation dispute through negotiation. If  
37 those negotiations fail to resolve the dispute, the executive director of the  
38 tribal gaming office, the director of the state gaming agency, and  
39 representatives designated by the governor of Arizona and the chairman of the  
40 tribe shall meet in a further effort to voluntarily resolve the dispute  
41 through further negotiation.

42 (b) Mediation. If the tribe and the state are unable to resolve by  
43 negotiation any dispute regarding compliance with the requirements of the  
44 compact, or the proper interpretation of those requirements, within thirty  
45 (30) days after delivery of the written notice of dispute, the tribe and the

1 state shall, upon the request of either party, endeavor to settle the dispute  
2 in an amicable manner by non-binding mediation administered by the CPR under  
3 its mediation procedures dated April 1, 1998 (unless otherwise agreed to by  
4 the parties), and the procedures set forth below. Although the parties shall  
5 be required to participate in the mediation process if requested, a request  
6 for mediation shall not preclude either party from pursuing any other  
7 available remedy.

8 (1) Selection of mediator. If the parties agree upon a mediator, that  
9 person shall serve as the mediator. If the parties are unable to agree on  
10 a mediator within ten (10) days of a request for mediation, then the CPR (i)  
11 shall select an attorney from the CPR panel of distinguished neutrals to be  
12 the mediator or (ii) if requested by the parties, shall select the mediator  
13 from a list of potential mediators approved by the parties.

14 (2) Conduct of mediation. The mediator shall control the procedural  
15 aspects of the mediation and shall be guided by the mediation procedures  
16 promulgated by the CPR.

17 (3) Costs of mediation. The costs of mediation shall be borne equally  
18 by the parties, with one-half (1/2) of the expenses charged to the tribe and  
19 one-half (1/2) of the expenses charged to the state.

20 (c) Arbitration. If the tribe and the state fail to resolve such a  
21 dispute regarding compliance with the requirements of the compact or the  
22 proper interpretation of those requirements through negotiation or mediation  
23 under sections 15(a) or (b) within thirty (30) days after delivery of the  
24 written notice of dispute, upon a demand by either party, the dispute shall  
25 be settled through binding arbitration at a neutral location and, unless  
26 otherwise agreed to by the parties, the arbitration shall be conducted in  
27 accordance with the rules, as modified by the following:

28 (1) Demand for arbitration. No earlier than thirty (30) days after  
29 the delivery of the notice required under section 15(a), either party may  
30 serve on the other a written demand for arbitration of the dispute, in  
31 accordance with CPR rule 3. The demand shall contain a statement setting  
32 forth the nature of the dispute and the remedy sought. The other party shall  
33 file a notice of defense and any counterclaim within twenty (20) days, in  
34 accordance with CPR rule 3. Failure to provide a notice of defense shall not  
35 delay the arbitration. In the absence of a notice of defense, all claims set  
36 forth in the demand shall be deemed denied.

37 (2) Arbitrators. Unless the parties agree in writing to the  
38 appointment of a single arbitrator, the arbitration shall be conducted before  
39 a panel of three (3) arbitrators. In the absence of an agreement to a single  
40 arbitrator, within twenty (20) days of the defending party's receipt of the  
41 demand, each party shall select an arbitrator. As soon as possible  
42 thereafter, but in no event more than forty (40) days following delivery of  
43 the demand, the party-appointed arbitrators shall discuss and select a third  
44 (3rd) arbitrator from the panel of distinguished neutrals, who shall chair  
45 the tribunal. Alternatively, if the parties have agreed upon a list of

1 arbitrators acceptable to both parties, the CPR shall select the third (3rd)  
2 arbitrator from that list. Unless the parties agree otherwise, at least one  
3 (1) of the arbitrators on the tribunal shall be an attorney or retired judge  
4 knowledgeable about the act, federal Indian law, and jurisdiction within  
5 Indian country. If the parties do not appoint an arbitrator with those  
6 qualifications, the party-appointed arbitrators or the CPR shall do so. Once  
7 the tribunal is impaneled, there shall be no ex parte contact with the  
8 arbitrators, except for contacts with the office of the tribunal chair  
9 regarding scheduling or other purely administrative matters that do not deal  
10 with substantive matters or the merits of the issues.

11 (3) Selection of arbitrator(s) by the CPR. If a party fails to  
12 appoint an arbitrator, or if the party-appointed arbitrators have failed to  
13 appoint a third (3rd) arbitrator within the time period provided in section  
14 15(c)(2), either party may request appointment of the arbitrator by the CPR.  
15 The request shall be made in writing and served on the other party. CPR  
16 shall fill any vacancies on the tribunal within ten (10) days of a request  
17 in accordance with CPR rule 6.

18 (4) Neutrality of the arbitrators. All arbitrators shall be  
19 independent and impartial. Upon selection, each arbitrator shall promptly  
20 disclose in writing to the tribunal and the parties any circumstances that  
21 might cause doubt regarding the arbitrator's independence or impartiality.  
22 Such circumstances may include, but shall not be limited to, bias, interest  
23 in the result of the arbitration, and past or present relations with a party  
24 or its counsel. Following such disclosure, any arbitrator may be challenged  
25 in accordance with CPR rule 7.

26 (5) Cost of arbitration. The costs of arbitration shall be borne  
27 equally by the parties, with one-half (1/2) of the expenses charged to the  
28 tribe and one-half (1/2) of the expenses charged to the state.

29 (6) Preliminary conference/hearing. The tribunal shall hold an  
30 initial pre-hearing conference no later than thirty (30) days following the  
31 selection of the members of the tribunal and shall permit discovery and make  
32 other applicable decisions in accordance with CPR rules 9 through 12. Unless  
33 the parties agree otherwise, or unless the tribunal determines that  
34 compelling circumstances exist which demand otherwise, the arbitration shall  
35 be completed within one hundred and eighty (180) days of the initial  
36 pre-hearing conference.

37 (7) Discovery.

38 (a) Documents. Consistent with the expedited nature of arbitration,  
39 each party will, upon the written request of the other party, promptly  
40 provide the other with copies of documents relevant to the issues raised by  
41 any claim or counterclaim or on which the producing party may rely in support  
42 of or in opposition to any claim or defense. Except as permitted by the  
43 tribunal, all written discovery shall be completed within ninety (90) days  
44 following the initial pre-hearing conference. Any dispute regarding

1 discovery, or the relevance or scope thereof, shall be determined by the  
2 tribunal, whose determination shall be conclusive.

3 (b) Depositions. Consistent with the expedited nature of arbitration  
4 and unless the parties agree otherwise, a party, upon providing written  
5 notice to the other party, shall have the right to take the depositions of  
6 up to five (5) witnesses, each of which shall last no longer than one (1)  
7 day. Unless the parties agree otherwise, additional depositions shall be  
8 scheduled only with the permission of the tribunal and for good cause  
9 shown. A party's need to take the deposition of a witness who is not  
10 expected to be available for an arbitration hearing shall be deemed to be  
11 good cause. Except as permitted by the tribunal, all depositions shall be  
12 concluded within one hundred and twenty (120) days following the initial  
13 pre-hearing conference. All objections that might be raised to deposition  
14 testimony shall be reserved for the arbitration hearing, except for  
15 objections based on privilege, proprietary or confidential information, and  
16 objections to form or foundation that could be cured if raised at the  
17 deposition.

18 (8) Injunctive relief in aid of arbitration. The tribe or the state  
19 may seek in a court of competent jurisdiction (a) provisional or ancillary  
20 remedies, including preliminary injunctive relief, pending the outcome of an  
21 arbitration proceeding, or (b) permanent injunctive relief to enforce an  
22 arbitration award.

23 (9) Arbitration hearing.

24 (a) Notice/transcript. Unless the parties agree otherwise, the  
25 tribunal shall provide the parties with at least sixty (60) days notice of  
26 the date of the arbitration hearing. Unless the parties agree otherwise,  
27 there shall be a stenographic record made of the hearing, with the cost to  
28 be shared by the tribe and the state. The transcript shall be the official  
29 record of the proceeding.

30 (b) Last, best offer format. The arbitrators shall conduct each  
31 arbitration proceeding using the "last, best offer" format, unless any party  
32 to an arbitration proceeding opts out of the "last, best offer" arbitration  
33 format in the manner set forth in section 15(c)(9)(c).

34 1. No later than forty (40) days before the arbitration hearing (or  
35 forty (40) days before the date the dispute is to be submitted to the  
36 tribunal for decision if oral hearings have been waived), each party shall  
37 submit to the other party or parties to the arbitration a preliminary last,  
38 best offer for those issues that will be decided using the last, best offer  
39 format.

40 2. No later than twenty (20) days before the arbitration hearing (or  
41 twenty (20) days before the date the dispute is to be submitted to the  
42 tribunal for decision if oral hearings have been waived), each party shall  
43 submit to the tribunal and the other party or parties to the arbitration its  
44 pre-hearing last, best offer for those issues that will be decided using the  
45 last, best offer format.

1           3. No later than ten (10) days after the conclusion of the arbitration  
2 hearing (or ten (10) days before the date the dispute is to be submitted to  
3 the tribunal for decision if oral hearings have been waived), each party  
4 shall submit to the tribunal and the other party or parties to the  
5 arbitration its final last, best offer for those issues that will be decided  
6 using the last, best offer format.

7           4. Except as otherwise provided in this section 15(c)(9)(b)(4), for  
8 each issue to be decided using the last, best offer format, the tribunal  
9 shall, for its decision on the issue, adopt one of the last, best offers  
10 submitted under section 15(c)(9)(b)(3) and no other remedy (excepting only  
11 remedies in aid of the tribunal's decision). If the tribunal expressly  
12 determines that a last, best offer submitted by a party with respect to an  
13 issue or issues is not consistent with or does not comply with the act and/or  
14 the compact, as they may be amended and as they are interpreted by courts of  
15 competent jurisdiction, then the tribunal shall reject that last, best offer  
16 and shall not consider it in rendering its decision. If the tribunal  
17 expressly determines that all the last, best offers submitted by the parties  
18 with respect to an issue or issues are not consistent with or do not comply  
19 with the act and/or the compact, as they may be amended and as they are  
20 interpreted by courts of competent jurisdiction, then the tribunal shall  
21 reject all the last, best offers and shall decide the related issue or issues  
22 as if the parties had elected to have the issue or those issues decided  
23 without using the "last, best offer" format. In addition, the tribunal shall  
24 have no authority to award money damages against either party, regardless of  
25 whether a last, best offer proposes an award of damages.

26           (c) Opting out of last, best offer format. Unless the parties agree  
27 otherwise, a party desiring to opt out of the "last, best offer" arbitration  
28 format shall serve a written notice of its election no later than fifty (50)  
29 days before the arbitration hearing (or fifty (50) days before the date the  
30 dispute is to be submitted to the tribunal for decision if oral hearings have  
31 been waived). The notice shall:

32           1. Identify with specificity the issue or issues that the arbitrators  
33 will decide without using the "last, best offer" arbitration format, or

34           2. State that the arbitrators will not use the "last, best offer"  
35 arbitration format.

36           (10) Decision of the tribunal. The decision of the tribunal shall be  
37 in writing, setting forth detailed findings of fact and conclusions of law  
38 and a statement regarding the reasons for the disposition of each claim. If  
39 the tribunal determines that a last, best offer is not consistent with or  
40 does not comply with the act and/or the compact, the decision of the tribunal  
41 shall set forth detailed findings of fact and conclusions of law and a  
42 statement regarding the reasons for the tribunal's determination. The  
43 written decision of the tribunal shall be made promptly and, unless otherwise  
44 agreed to by the parties, no later than forty (40) days from the date of the  
45 closing of the hearing or, if oral hearings have been waived, no later than

1 forty (40) days from the date the dispute is submitted to the tribunal for  
2 decision. The tribunal may take additional time to render its decision if  
3 the tribunal determines that compelling circumstances require additional  
4 time. The tribunal may issue awards in accordance with CPR rule 13, to the  
5 extent that rule is consistent with section 15(c). The decision of the  
6 majority of the arbitrators shall be final, binding, and non-appealable,  
7 except for a challenge to a decision on the grounds set forth in 9 U.S.C.  
8 § 10. The failure to comply with a judgment upon the award of the  
9 arbitrators shall be a breach of this compact.

10 (11) Governing law/jurisdiction. Title 9 of the United States Code  
11 (the United States arbitration act) and the rules shall govern the  
12 interpretation and enforcement of section 15(c), but nothing in section 15(c)  
13 shall be interpreted as a waiver of the state's tenth amendment or eleventh  
14 amendment immunity or as a waiver of the tribe's sovereign immunity. The  
15 tribunal shall resolve the disputes submitted for arbitration in accordance  
16 with, and every decision of the tribunal must comply and be consistent with,  
17 the act and the compact, as they may be amended and as they are interpreted  
18 by courts of competent jurisdiction. The tribunal shall have no authority to  
19 award money damages against either party.

20 (12) Judicial confirmation. Judgment upon any award rendered by the  
21 tribunal may be entered in any court having competent jurisdiction.

22 (d) Injunctive relief. The parties acknowledge that, although  
23 negotiation followed by mediation and arbitration are the preferred methods  
24 of dispute resolution, compact section 15 shall not impair any rights to seek  
25 in any court of competent jurisdiction injunctive relief pursuant to 25  
26 U.S.C. § 2710(d)(7)(a)(ii), or a judgment upon an award rendered by an  
27 arbitration tribunal in accordance with sections 15(c)(10) and 15(c)(11). In  
28 an action brought by the tribe against the state, one court of competent  
29 jurisdiction is the Arizona superior court. In an action brought by the  
30 state against the tribe, one court of competent jurisdiction is the United  
31 States district court for the district of Arizona. Nothing in this compact  
32 is intended to prevent either party from seeking relief in some other court  
33 of competent jurisdiction, or to constitute an acknowledgement that the state  
34 courts have jurisdiction over the tribe or the tribal courts have  
35 jurisdiction over the state."

36 (x) Section 17 of the pre-existing compact shall be replaced with the  
37 following:

38 "Section 17. Amendments

39 (a) Proposed compact amendments. To continue to ensure the fair and  
40 honest operation of Indian gaming, no later than one hundred eighty (180)  
41 days after the effective date, the state or the tribe may propose amendments  
42 to enhance the following regulatory provisions of this compact:

43 (1) The process for tribal judicial review of disputes regarding the  
44 nonpayment of alleged winnings to patrons;

1           (2) Compliance with United States public health service requirements  
2 regarding food and beverage handling;

3           (3) Compliance with building codes and fire safety standards in the  
4 construction of new gaming facilities and significant modifications to  
5 existing gaming facilities;

6           (4) The availability of adequate police, fire and emergency medical  
7 services to serve each gaming facility;

8           (5) Remedies for violations of this compact, the gaming ordinance,  
9 federal law, or state rules for certification holders;

10          (6) Liability insurance for gaming facilities and procedures for the  
11 disposition of tort claims that arise from personal injuries or property  
12 damage suffered at gaming facilities by patrons of the gaming facilities;

13          (7) Standards for background investigations, licensing and  
14 certification of gaming employees by the tribe or the state gaming agency,  
15 or both;

16          (8) Standards for background investigations, licensing, and  
17 certification by the tribe or the state gaming agency, or both, of persons  
18 or entities that provide gaming goods or services on a significant basis;

19          (9) Reports and audits of revenue from gaming activities to allow  
20 tracking and confirmation of such revenue;

21          (10) Minimum internal control standards, technical standards, testing  
22 procedures, and inspection procedures for class III gaming devices and the  
23 online electronic game management systems to which they are linked;

24          (11) Minimum internal control standards, operational standards,  
25 specifications, and regulations for other gaming activities permitted under  
26 this compact, including rules for game play and dealing procedures for  
27 blackjack and poker; and

28          (12) Surveillance requirements.

29          (b) Negotiations/mediation. Within ninety (90) days of receipt by the  
30 tribe or the state of proposed amendments described in section 17(a), the  
31 tribe and the state shall enter into good faith negotiations regarding the  
32 proposed amendments. If good faith negotiations fail to result in a  
33 mutually-agreed upon amendment to this compact regarding any of the issues  
34 listed in section 17(a), the parties shall participate in good faith in a  
35 mediation conducted in accordance with the provisions of section 15(b) in an  
36 effort to resolve their differences. The remaining provisions of section 15  
37 shall not apply to sections 17(a) or (b). Within thirty (30) days after the  
38 conclusion of a mediation, the parties shall conclude negotiations and  
39 document any amendments consistent with section 17(c).

40          (c) Effect. Any amendment to this compact shall be in writing and  
41 signed by both parties. The terms and conditions of this compact shall remain  
42 in effect until amended, modified, or terminated."

1 (xi) Section 23 of the pre-existing compact shall be replaced with the  
2 following:

3 "Section 23. Effective date and duration

4 (a) Replacement of other gaming compacts. On the effective date, this  
5 compact shall replace and supersede any other tribal-state gaming compact  
6 between the state and the tribe. The tribe and the state shall execute an  
7 acknowledgement of the effective date.

8 (b) Duration.

9 (1) The initial term of this compact shall commence on the effective  
10 date. The initial term of this compact shall be the remainder of the term  
11 under section 23(b)(1) of the tribe's pre-existing compact as defined in  
12 A.R.S. section 5-601.02(I)(5), if any, provided that such pre-existing  
13 compact was in effect on May 1, 2002, plus ten (10) years.

14 (2) This compact shall thereafter be extended for a renewal term of  
15 ten (10) years, unless the state or the tribe notifies the other in writing,  
16 not less than one hundred eighty (180) days prior to the expiration of the  
17 initial term, that it does not intend to renew the compact because of  
18 substantial non-compliance.

19 (3) This compact shall thereafter be extended for an additional  
20 renewal term of three (3) years in order to provide the parties with an  
21 opportunity to negotiate new or amended compact terms, unless the state or  
22 the tribe notifies the other in writing, not less than one hundred eighty  
23 (180) days prior to the expiration of the renewal term, that it does not  
24 intend to renew the compact because of substantial non-compliance.

25 (4) For purposes of this section 23, substantial non-compliance means  
26 the willful failure or refusal to reasonably comply with the material terms  
27 of a final, non-appealable court order, or a final, non-appealable award of  
28 an arbitrator or arbitrators under section 15. Substantial non-compliance  
29 does not include technical inadvertence or non-material variations or  
30 omissions in compliance with any such award or judgment. If either party  
31 contends that the other is in substantial non-compliance, the party so  
32 contending shall provide immediate written notice to the other, including the  
33 specific reason(s) for the contention and copies of all documentation relied  
34 upon to the extent allowed by law.

35 (5) A dispute over whether the state or the tribe has engaged in  
36 substantial non-compliance shall be resolved under section 15. The compact  
37 shall remain in effect until the dispute has been resolved by a final,  
38 non-appealable decision under section 15. In any section 15 proceeding to  
39 determine substantial non-compliance, the burden of proof shall be on the  
40 party alleging substantial non-compliance.

41 (6) The tribe may operate class III gaming only while this compact,  
42 or any extension thereof, is in effect. Prior to the end of the final  
43 renewal term of this compact, the state and the tribe shall negotiate under  
44 25 U.S.C. section 2710(d)(3)(a), or other applicable federal law, for a  
45 successor compact or other similar agreement."

1       Sec. 3. Requirements for enactment; three-fourths vote  
2       Pursuant to article IV, part 1, section 1, subsection (6), Constitution  
3 of Arizona, this act is effective only on the affirmative vote of at least  
4 three-fourths of the members of each house of the legislature.

APPROVED BY THE GOVERNOR APRIL 1, 2004.
